Pick times and topics – get ready to host/hostess and send “announcement” to Melissa.

Debbie Dec 2nd – at Fowler – 11:30-1:00 topic **Technology Integration** – will be posted

And listserved....

HINT – use the survey motif to announce meetings and to get RSVP – maybe we need to work out details with ASSET to use Zoomerang ---- Debbie – do you want to use it for yours?

What other ideas for our own growth – Amanda wants to host a session on platforms/implementations/transitions?

NOV 18th meeting the topic will be: Data – where do we get data, whose doing what – Evan will present at the November meeting (NEED TO ADVERTISE IT) – ask Rick and Jeff Holden (Alhambra) to help also.
